SEE PAGE 25, 27 FOR SPECIFICATIONS

We have taken the folding chair to a new level with our 2" box seat. Just take a seat and you'll see that this is like no other folding chair. Features include a 2" upholstered box seat on a masonite board, padded backs are fully covered in fabric on both sides, double hinges on each leg, two double-riveted cross braces, color coordinated stability plugs and glides, designer fabrics and textured powder-coated frames.
