The **Church Furniture Store** is a place where you can find all you need to furnish your new church or update your current church, at the best possible pricing! We hand craft each piece of oak or maple solid wood furniture knowing that it will become a part of God's house. Each podium, communion table, minister's chair or other furniture is built using old fashioned, hand crafting – offering solid oak quality construction and beauty - to create an heirloom quality set that will beautify your sanctuary and last for a lifetime!

We stock many items in order to provide them quickly, and take orders for custom work as you request. In either case, you will love our prices and quality!

Our offices and woodshops are located in the Blue Ridge Mountains of Virginia!
